Ch

# Mums for 1955

**WAYNE FLORAL CO.**  
White Springs Road      Geneva, N. Y.

# **Instructions for Ordering**

## **TERMS OF SALE**

### **PRICE**

\$40.00 per 1000 in multiples of 50 of a variety, total order at least 1000 cuttings. The price is the same for all varieties listed in our catalogue.

\$5.00 per 100 in multiples of 50, for orders totalling between 300 and 950 cuttings.

\$6.00 per 100 in multiples of 50, for orders totalling between 100 and 250 cuttings.

We also fill orders calling for 25 of a variety, due to the extra labor this involves we charge 1c more per cutting for all varieties ordered in multiples of 25, thus bringing the price to 5c, 6c and 7c per cutting, depending on the total amount of the order.

Minimum order 25 of one variety.

### **SUBSTITUTIONS**

We will substitute varieties as good or better for any items not listed in this catalogue.

To speed up delivery we will also substitute, to the best of our ability, if on the shipping date certain varieties happen not to be available. No substitutions will be made if this is specifically mentioned when ordering.

### **SHIPPING INFORMATION**

Special shipping instructions and address if different from your regular mail address should be shown on your order. All cuttings are shipped Railway Express, Air Freight or Air Express Collect and are in perfect condition before being accepted by the Express Company. Therefore, if there is any damage enroute from being broken, heated, frozen or too long in transit, call your express agent to inspect the same, make out bad order report and file claim because our responsibility ceases after the Express Company has accepted our shipments.

We, Wayne Floral Company, give no warranty, express or implied, as to the productiveness of any cuttings or plants we send out and we will not be in any way responsible for the crop. Our liability, in all instances, is limited to the purchase price of the cuttings or plants.

### **CHANGES OR CANCELLATIONS**

Changes or cancellations on your order must be received at least 30 days before shipping time. We cannot accept changes or cancellations on Mum cutting orders later than 30 days before specified shipping date.

---

### **Causes of Premature Budding of Chrysanthemum Cuttings During the Spring. How to Prevent it.**

During the Spring, until May 1st, budding can occur, depending upon the variety and a temperature of 60 degrees or above.

To prevent setting of buds additional light can be given during the early Spring months. Use 60 watt bulbs, spaced four feet apart and about 30 inches above the plants. Use lights two hours each night until May 1.

# LARGE FLOWERING VARIETIES

S—Indicates varieties we find most suitable for shading

P—Indicates varieties suitable for pot plants.

Pinching and flowering dates given here are for normal flowering without shading or lights.

Types are abbreviated as follows: Inc.—Incurved; Ref.—Reflexed.

Size of flowers is indicated by S—Small; M—Medium; L—Large.

**Price:** \$40.00 per 1000 for orders totalling 500 cuttings and up, in multiples of 50 of each variety. Please notice we offer all our varieties, including the more recent introductions, at the same price. For orders totalling less than 500 cuttings and calling for less than 50 of a variety we charge slightly higher prices, see quotations on page 2.
